CONSENT TO CARE AND TREATMENT AT VALLEY MEDICAL CENTER
FOR USE IN OCCUPATIONAL HEALTH SERVICES ONLY

OCCUPATIONAL HEALTH SERVICES AND MEDICAL TREATMENT: I, the undersigned, hereby consent to and permit my attending physician and his/her designees, the Occupational Health Services and its employees, and all other persons caring for me to provide me treatment and care as may be deemed necessary and available to me during my office visit or outpatient procedure, including but not limited to tests, examinations, anesthetics, x-rays and medical and surgical treatments, and other necessary procedures. I understand that by signing this Consent, I am authorizing them to treat me for as long as I seek care from Valley Medical Center Occupational Health Services Providers or until I withdraw my consent in writing.

I understand that my care is under the control of my attending physicians who may not be employees or agents of the Occupational Health Services, but rather, independent physicians, and that Occupational Health Services is not liable for their acts or omissions or any acts or omissions from following their instructions. I am aware that the practice of medicine is not an exact science and I acknowledge that no guarantees or promises have been made to me as to the result of treatment or examination at Occupational Health Services.

In the event a healthcare worker is exposed to my blood or body fluid in a manner that may pose a risk for transmission of a blood-borne infection during this office visit or outpatient procedure, I am giving my consent to be tested for HIV, at no cost to me, so the healthcare worker can be treated promptly. I authorize release of this information to the exposed healthcare worker and his/her healthcare provider.

CONSENT TO TREATMENT BY STUDENT MEDICAL PROFESSIONAL: As a part of a policy of continuing medical education, Occupational Health Services has medical, nursing and paramedical students observing or participating in the care provided for its patients. I understand that this may include surgical procedures, x-ray procedures, examination of tissue, and other aspects of my care. I further understand that at all times these activities will be under the supervision and approval of my physicians and/or other licensed health care professionals and will be at a level deemed appropriate and necessary by them, and I consent to the observation and participation of medical and paramedical students in the medical care provided for me while I am a patient at Occupational Health Services.

PATIENT PROPERTY: I am aware that Occupational Health Services is not liable for the loss or damage of any personal property unless placed in the safe.

NOTICE TO OUTPATIENTS: If the visit today is for a series of outpatient treatments, your authorization for outpatient care and services in this department is required once per calendar year.

PHOTOGRAPHS: The taking, reproduction and use of photographs in connection with my diagnosis, care and treatment (including surgical procedures) at Occupational Health Services is approved, provided my identity is not revealed. Photographs may include the use of videotapes, television and digital imaging. These images may become part of the medical record.

I CERTIFY THAT I HAVE READ THE FOREGOING AND THAT I UNDERSTAND ITS CONTENT. MY QUESTIONS HAVE BEEN ANSWERED TO MY SATISFACTION. I CONSENT TO TREATMENT AND CARE AT VALLEY MEDICAL CENTER OCCUPATIONAL HEALTH SERVICES.
