

Specialty Pharmacy Drug List

July 2022

Valley Medical Center (VMC) Specialty Pharmacy provides comprehensive services to patients and staff receiving specialty medications.

Specialty Medications are oral or injectable medications that used to treat complex, chronic conditions. These medications are often high cost, hard to find, have specific shipping/handling requirements, and need ongoing patient care management. This Specialty Pharmacy Drug List is a guide of medications available through VMC Specialty Pharmacy and will be updated each quarter.
