

# Helpful Tips for Adding Your Newborn to Insurance Coverage

## Congratulations!

Thank you for choosing Valley Medical Center to be a part of your child's birth. At Valley Medical Center, our mission is caring for our community like family—we are so pleased that you will always have a connection to our Valley family as you begin the amazing journey of being a parent. Remember Valley Medical Center is beside you, every step of the way.

## Adding Newborn Insurance Coverage

- **Report the birth of your child to your employer benefits office or human resources department as soon as possible. (Some insurers have application deadlines, so please check with your employer.)**
- **Report your child's birth to your insurance carrier.**

If you have questions or are feeling overwhelmed about how to add your newborn to your insurance, we can help you. Please call our Customer Service Department at 425.690.3578.
