## How to Navigate to the Advance Care Planning Page in MyChart

## How to access the Advance Care Planning section

- The Patient will log in to their MyChart account
- They can click on the **Menu** button and select **Advance Care Planning** under the **My Record** section.

- **Or**, they can simply **Search** for the activity by typing starting to type the name of the activity.
- Click on Advance Care Planning

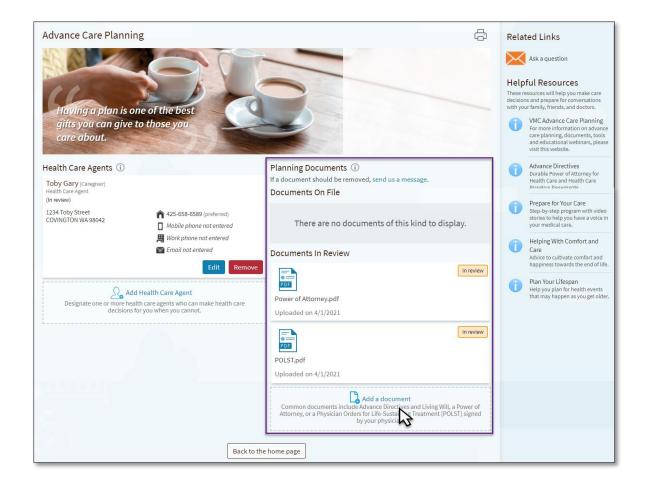

## How to Upload Advance Care Planning documents to MyChart

- Click **ADD A DOCUMENT** located on at the bottom in the **Planning Documents** section.
- You will be taken to **File Explorer** your computer.
- Locate and double click on the .JPEG, .JPG, .PDF or .PNG document you want to upload.

**Note**: The patients uploaded documents will be filed in the **Documents In Review** section.

 The Planning Documents section will include links to Documents On File and Documents In Review.

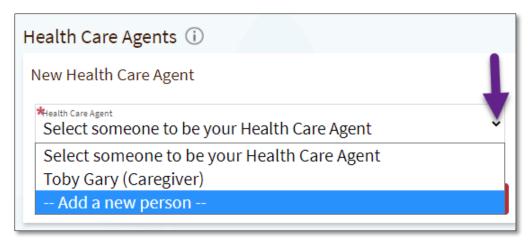

## How to add a Health Care Agent to MyChart

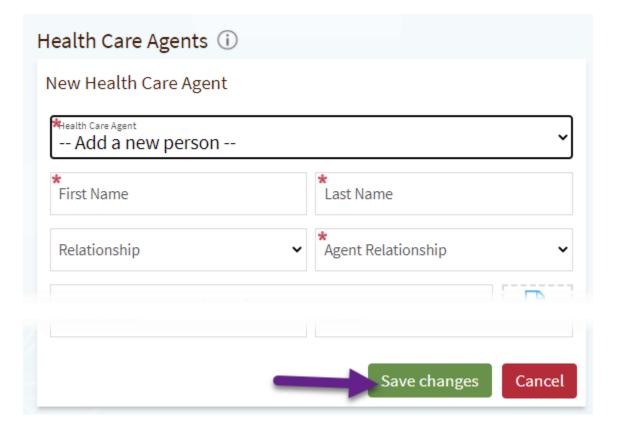

<u>If you have completed the **Durable Power of Attorney** paperwork</u>, you may also add a Health Care Agent to the **Advance Care Planning** page.

You are not able to add a Health Care Agent without the supporting documentation.

- Click ADD HEALTH CARE AGENT at the bottom of the Advance Care Planning page.
- Click the drop-down arrow in the Health Care Agent field and select Add a new person.

• Fill out the information requested and click **Save Changes** when done.

Your new Health Care Agent entry will be listed under the Health Care Agents section.
