

Help Support VIA While You Shop!

Volunteers In Action (VIA), a 501(c)3 charitable organization, partners with both Fred Meyer and Amazon in their community rewards programs! You can help support VIA by linking your Fred Meyer Rewards Card and your Amazon account to VIA. Then, any time you shop with either partner a donation will be made to VIA. Dollars raised help VIA support our Valley community all year long.

It just takes a few moments to link your accounts!
